On December 21, 1963 interview was conducted at Miami, Florida in connection with information that had been received from SYLVIA ODIO, a Cuban refugee at Dallas, Texas, who advised that in September or October, 1963, she had been contacted by two members of the anti-FIDEL CASTRO organization Junta Revolucionaria (JURE), in connection with a funds drive they were conducting. ODIO stated they were accompanied by an individual whom they introduced as LEON OSWALD, whom Miss ODIO stated to be identical with LEE HARVEY OSWALD. Miss ODIO said that one of the two members of the JURE contacting her was named LEOPOLDO.

On December 21, 1963, Mrs. ROGELIO CISNEROS, 347 N.E. 16th Street, Miami, Florida, stated that her husband is a member of the Executive Board of JURE at Miami, and that he was then in Central America. She said in approximately June, 1963 her husband had traveled alone from Miami to Dallas, Texas, to set up a delegation of JURE in that city, and to her knowledge no other JURE member had gone to Dallas from Miami since that time. She said she could think of no JURE member named LEOPOLDO.

She advised that the JURE delegate in Dallas is JORGE RODRIGUEZ ALVAREDA, 1919 Llewellyn, Apartment A, Dallas. She said Mr. RODRIGUEZ would have knowledge of any JURE members visiting that city.

Interviews at Miami, Florida, were also conducted pursuant to information that EDWIN L. STEIG of Garland, Texas, had advised that an individual believed identical with LEE HARVEY OSWALD had attended a meeting
